

Sea Turtles

Meet & Protect Sheet

When you are on the beach / on land

Respect our nature on land

Use refillable water bottles, use plastic-free products, use trash bins

Pick up litter, even if it's not yours

Don't leave any trash behind

Don't use the BBQ on the sand

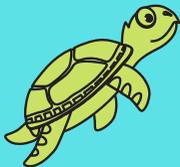

Try to avoid lights on and around the beach at night

Don't come near a turtle nest or hatchlings

When you are swimming, snorkeling or diving / in the sea

Respect the turtles and their natural environment

You are the visitor in their world, behave as a visitor

Give turtles room to breath - this they do above water

Don't try to touch or catch turtles or other sea life

Don't chase turtles

Thank you for respecting our nature!
