

SEA LIFE ID

The Curaçao Rif Mangrove Park is a diverse ecosystem – both above and below the water.

Beneath the mangrove roots, calm, sheltered waters provide a safe habitat for many reef fishes and other marine species.

This Sea Life ID card shows some of the most commonly seen underwater animals.

Don't forget to also check the Birding ID card to discover the rich birdlife that also depends on this unique mangrove habitat.

Upsidedown Jellyfish
mangrovekwal
Kwal di mangrove
Cassiopea frondosa

Spot-fin Porcupinefish
egelvis
Djindja
Diodon hystrix

Smooth Trunkfish
gladde koffervis
Ka'i morto
Lactophrys triqueter

Blue Tang
blauwe doktersvis
Kleinfishi blou
Acanthurus coeruleus

Doctorfish
doktersvis
Kleinfishi blanku
Acanthurus chirurgus

Striped Parrotfish
gestreepte papegaaivis
Gutu raton
Scarus iseri

Princess Parrotfish
prinses papegaaivis
Rab'i gai
Scarus taeniopterus

Rainbow Parrotfish
regenboog papegaaivis
Gutu ketekete
Scarus guacamaia

Spanish Hogfish
spaanse lipvis
Djent'i kachó
Bodianus rufus

Mangrove (Grey) Snapper
grijze snapper
Karañitu
Lutjanus griseus

Yellowhead Wrasse
geelkop lipvis
Pepchi pintá
Halichoeris garnoti

Sergeant Major
sergeant-majoervis
Katabòli
Abudefduf saxatilis

Spotfin Butterflyfish
gevlekte koraalvlindervis
Chamba blanku
Chaetodon ocellatus

Schoolmaster Snapper
schoolmeester baars
Bèrs
Lutjanus apodus

Four-eyed Butterfly fish
vieroog vlindervis
Makamba Kulu Bèrdè
Chaetodon capistratus

Spotted Scorpion fish
gevlekte schorpioenvis
Brantfes (korá)
Scorpaena plumieri

Sardine
sardine / oorsardientje
Sardinchi
Sardinella aurita

Peacock Flounder
pauwenoog schol
Sobrá di Dios / Plachi
Bothus lunatus

Atlantic Tarpon
tarpoen
Sábalo
Megalops atlanticus

Yellowfin Mojarra
geelvin zilvervis
Kabekuchi / Warda kosta
Gerres cinereus

Spotfin Mojarra
gevlekte mojarra
kabekuchi / Warda kosta
Eucinostomus argenteus

Yellow Goatfish
gele zeebarbeel/ gele mul
Barbí
Mulloidichthys martinicus

Smallmouth Grunt
geelgestreepte grommer
Traki traki
Haemulon chrysargyreum

Common Snook
snoekbaars
Benesnuk / Róbalo
Centropomus undecimalis

Fairy Basslet / Royal Gramma
koningsgramma
-
Gramma loreto

White (Silver) Mullet
witte harder / mul
Aldu
Mugil curema

Great Barracuda
barracuda
Pikú / Snuk
Sphyraena barracuda
